Style and Function Vivace

Inspired by the influential Bauhaus movement, Vivace expresses a pleasing form follows function. With a slim and trim profile, the sleek clean lines and subtle curves manifest an art of simple, elegant minimalism. Every piece in this robustly constructed range sits perfectly within the context of any modern interior design. Vivace, a style of modern simplicity that is always within your reach.

Warranty

- > Schneider Electric India Private Limited, (hereinafter referred to as "Schneider Electric"), shall, at its sole discretion, repair or replace products, if the products are found to be defective, solely as a result of faulty material and/or workmanship, within 10 years from the date of purchase, in the case of electro-mechanical wiring device products.
- > The warranty for all mains-related electronic wiring devices products viz. dimmers, LED indicators, step fan regulators, motor starters & indicator modules shall be for a period of 18 months from the date of purchase.
- > This warranty does not include Schneider Electric mounting boxes. The warranty defines Schneider Electric's entire liability & does not cover any consequential loss or damage, or any re-installation costs arising from the defective products.
- > Schneider Electric reserves the right to change/improve the design of its Products, without prior notice. In such cases, replacements shall be carried out, with the prevalent / existing design of the accessories prevailing at that point in time.
- > This warranty for above products shall be rendered null & void in case of the following:
 - If the original Schneider Electric mounting boxes have not been used to mount the plates & accessories.
 - If any attempt has been made to rectify, dismantle, tamper or alter the product by any third party vendor or by the Customer himself.
 - If the products are not installed as per the appropriate design specifications...
- > Disputes if any will be subject to exclusive jurisdiction of courts at Delhi.
